SUPREME COURT JUDGEMENT

Madras Bar Association v/s Union of India— Writ Petition (c) No. 1072 of 2013

Vide the order dated May 14, 2015 in Writ Petition (C) No. 1072 of 2013 of Madras Bar Association ("**MBA**") v/s Union of India ("**UOI**") , the Hon'ble Supreme Court of India ("**Hon'ble SC**") was pleased to allow the Writ Petition partly.

Hon'ble SC vide its judgement dated May 14, 2015 observed that this entire writ petition takes umbrage under the Hon'ble SC earlier judgement, Appeal No. 3067 of 2004 which was pronounced on 11th May 2010 ("**2010 judgement**") . Therefore, it is necessary to briefly consider the 2010 judgement to appreciate outcome of 2015 judgement. MBA had earlier filed Writ petition No.2198 of 2003 in Madras High Court ("**Madras HC**") challenging constitutional validity of creation of National Company Law Tribunal ("**NCLT**") and National Company Law Appellate Tribunal ("**NCLAT**") which were incorporated by the Legislature in Parts 1B and 1C of the Companies Act, 1956. Further the Madras HC pronounced Order dated March 30, 2004 wherein it was held that creation of NCLT and vesting the powers hitherto exercised by the High Court and the Company Law Board ("**CLB**'") in the said Tribunal was not unconstitutional. However, at the same time, the High Court pointed out certain defects in various provisions of Part 1B and Part 1C of the Act, 1956 and, in particular, in Sections 10FD(3)(f)(g)(h), 10FE, 10FF, 10FL(2), 10FR(3), 10FT and it was held that unless these provisions are appropriately amended by removing the defects, it would be unconstitutional to constitute NCLT and NCLAT to exercise the jurisdiction which is being exercised by the High Court or the CLB.

MBA felt aggrieved by that part of the judgment vide which establishments of NCLT and NCLAT was held to be constitutional. On the other hand, UOI felt dissatisfied with the other part of the judgment whereby aforesaid provisions contained in Parts 1B and 1C of the Act, 1956 were perceived as suffering from various legal and constitutional infirmities. Thus, both Union of India as well as the petitioner therein filed appeals before the Hon'ble SC against that judgment of the Madras High Court. The Hon'ble SC vide the said 2010 judgment put its stamp of approval insofar as constitutional validity of NCLT and NCLAT is concerned. It also undertook the exercise of going through the aforesaid provisions contained in Parts 1B and 1C of the Act, 1956 and in substantial measure agreed with the Madras HC in finding various defects in these provisions.

In the present Writ Petition the following three main issues were raised before the Hon'ble SC:-

1. **Challenge to the validity of the constitution of NCLT and NCLAT**;

   It was held by the Hon'ble SC that the validity of NCLT and NCLAT was not unconstitutional and is valid.

2. **Challenge to the prescription of qualifications including term of their office and salary allowances etc. of President and Members of the NCLT (section 409 (3)(a) of the Companies Act, 2013 ("CA 2013") and as well as Chairman and Members of the NCLAT (Section 411 (3) of CA 2013)**

   It was held by the Hon'ble SC that there was no issue on the qualifications of Judicial Members of the NCLT and NCLAT. The main objection was on qualifications of Technical Members. It was held that section 409(3)(a) and (c) and 411 (3) of Act,2013 are invalid. The Hon'ble SC further stated that for appointment of technical members, the directions given in the 2010 judgement will have to be followed.

3. Challenge to the structure of the Selection Committee for appointment of Members of the NCLT and NCLAT (Section 412 of the CA 2013)

The Hon'ble SC held Section 412 of CA 2013 to be invalid and further directed to remove the defect. It was held that Chief Justice of India or his nominee is to act as Chairperson of Selection Committee, with the power of a casting vote. Casting vote is not covered under section 412 (2) (a) of 2013 Act and hence held invalid.

The SC further stated that the main step for functioning of NCLT & NCLAT is to appoint President and Members of NCLT and Chairperson and Members of NCLAT. The SC further stated that NCLT & NCLAT should start functioning in the near future. The Writ Petition thereafter stand disposed off.

Order of the Hon'ble Appellate Tribunal for Electricity in Appeal No. 241 of 2014 of M/s. Classic Citi Investments Private Limited v/s Maharashtra Electricity Regulatory Commission & Anr.

Vide the Order dated May 29, 2015 in Appeal No. 241 of 2014 of M/s. Classic Citi Investments Private Limited v/s Maharashtra Electricity Regulatory Commission & Anr, the Hon'ble Appellate Tribunal for Electricity ("**APTEL**") was pleased to partly allow the Appeal which was filed challenging the Order dated August 7, 2014 pronounced by the Hon'ble Maharashtra Electricity Regulatory Commission ("**MERC**") wherein the Hon'ble MERC stated that the low voltage surcharge as mandated by the Hon'ble MERC in the Interim Order dated March 5, 2010 against Petition No.71 of 2009 and which also applicable to the open access consumers connected at voltage level lower than specified in the Standard of Performance Regulations Standard of Performance Regulations ("**SOP Regulations**").

The issues before the Hon'ble APTEL were whether the Hon'ble MERC erred in approving the proposal of the Distribution Company viz; MSEDCL towards levying the voltage surcharge in the Impugned Order dated August 7, 2014 to the Appellant for energy sourced under open access from a wind generator. And whether the Distribution Company viz; MSEDCL is right in levying the voltage surcharge of 2% on the total units of power consumed by the Appellant including energy wheeled from M/s. Ajanta Limited (third party seller of wind energy under open access) utilizing the infrastructure of the MSEDCL .

Under the said Petition filed before the Hon'ble MERC the Respondent distribution Company released supply at 22 KV instead of at 33 KV as per the SOP Regulations due to the field constrains in establishing the infrastructure in

the vicinity of the Appellant's Industrial area. Further, as per the Interim relief granted by the Hon'ble MERC in the Order dated March 5, 2010 against Petition No.71 of 2009, started levying 2% low voltage surcharge to all the consumers who are connected at lower voltage against the specified voltage level mentioned in the SOP Regulations. Appellant started consuming power from the distribution licensee and also energy wheeled from the third party. The distribution licensee as per the Order dated March 5, 2010 levied the 2% low voltage surcharge on the total units consumed by the Appellant including energy purchased from third party also stating that the consumer is connected at lower voltage than at specified voltage.

Aggrieved with the Impugned Order of the Hon'ble MERC, the Appellant has filed this Appeal before Hon'ble APTEL. The Hon'ble APTEL held that as per the Open Access Regulations of the Hon'ble MERC and as per Section 42 of the Electricity Act, 2003, the applicability of levying of 2% low voltage surcharge on the energy wheeled by the open access consumers specified in the Impugned Order dated August 7, 2014 was disallowed. Further the Respondent viz; MSEDCL was directed to refund the 2% low voltage surcharge claimed on the energy wheeled by the Appellant from the Wind Generator under Open Access from April, 2010 to February, 2013. Hence, the Appeal was partly allowed and the Hon'ble MERC was directed to pass consequential orders within three months from the date of receipt of the copy of the said judgment.
